(ORLANDO, Fla.) Jan. 24, 2019 — CNL Healthcare Properties, a non-listed real estate investment trust (REIT) focused on seniors housing and healthcare facilities, plans to prepare an estimated net asset valuation (NAV) per share of the company's common stock as of Dec. 31, 2018. The company anticipates announcing the 2018 NAV on or about March 19, 2019, and will hold a webinar to discuss the NAV on March 21, 2019, at 1:30 p.m. Eastern Time. To register for the webinar, visit [cnlhealthcareproperties.com/webinar](http://cnlhealthcareproperties.com/webinar). A replay of the webinar and the accompanying slide presentation will be available on the company's website 48 hours following the completion of the webinar.

CNL Healthcare Properties has engaged Robert A. Stanger & Co. Inc., (Stanger) to assist the board of directors and the company's valuation committee, which is solely comprised of independent directors, in establishing the NAV.

Stanger is a nationally recognized investment banking firm specializing in providing strategic planning, investment banking, financial advisory, fairness opinion and asset and securities valuation services to partnerships, real estate investment trusts and real estate advisory and management companies. The engagement of Stanger was based on a number of factors including its experience in the valuation of assets similar to those owned by CNL Healthcare Properties. This is the company's first engagement with Stanger as a third-party valuation advisor.

CNL Healthcare Properties will establish the 2018 NAV in accordance with its valuation policy and certain recommendations and methodologies of the Investment Program Association, a trade association for non-listed direct investment vehicles.
